

Position: Sales Agronomist

Start Date: June 2020

Experience: 2 years or equivalent

Compensation: Competitive

Huron Perth Ag Service Inc. is a crop input and consulting company based out of Exeter, ON. We strive to provide our customers with agronomic services and advice, selling crop inputs and supporting them throughout the growing season.

**Responsibilities:**

- Plan and develop customer crop plans, including fertility, crop protection, and seed portfolios
- Develop and maintain effective business relations with current and potential future customers
- Excellent interpersonal, communication, planning, problem solving and organizational skills
- Demonstrate leadership experience in agriculture within the company
- Make safety a daily priority
- Ability to work additional hours to meet business demands
- Operation of machinery and heavy lifting of seed bags and chemical containers required
- Plan, present and organize customer meeting and plot demonstration days

**Qualifications:**

- A diploma or degree in Agriculture and previous experience in agronomic sales preferred
- Certified Crop Advisor designation would be considered an asset
- Strong communication and organization skills
- Proficiency in computer programs such as Microsoft Word, Excel, etc.
- Driver license and clean driving record
- First Aid and Fork Lift Training provided by the company
